

AUG 15 2017
CLERK, U.S. DISTRICT COURT
WESTERN DISTRICT OF TEXAS
BY _____ DEPUTY

§ §

Is this Court a constitutional court? Is this Court an Article III, section 1 of the United States Constitution court with limited jurisdiction?

What Constitution authorizes this Court to exercise its authority over subject matters outside of Washington D.C.?

Is a United States District Judge required to take the United States Constitution Art. VI, Sec. 3 oath to support this Constitution? If not, then any ruling issued by the Court is unconstitutional, not binding, nor enforceable.

If the answer is yes, then this Court has only one option, and that is, to declare it has no jurisdiction.

Plaintiff does not owe Kathryn B. Davis nor WINSTON & STRAWN LLP nor any representative of Countrywide Home Loans, Inc., dba America's Wholesale Lender, The Bank of New York or Mortgage Electronic Registration Systems Inc. a debt of any kind.

Nor can they individually or collectively prove otherwise.

WHEREFORE PREMISES CONSIDERED, the Court should dismiss this suit without prejudice and remand Plaintiff's Petition to the Texas court from which it came.

Respectfully submitted,

Susan Sissom
